MEMORANDUM FOR: Chairman, National Intelligence Council  
FROM: John J. Bird  
National Intelligence Officer for Warning  
SUBJECT: TDY to Naval War College, Newport, Rhode Island

1. Request approval for NIO/W, John Bird, to travel to the Naval War College, Newport, Rhode Island, on 7-8 November 1984.
2. Purpose of the visit is to participate in the NATO Strategy Review with US Army, US Air Force and US Navy participants. The conference will last two days.
3. My participation has been solicited because of my previous association with strategic planners in the Department of Navy. This conference will, among the other agenda items, provide an opportunity to explore the potential for bringing strategic warning to bear early in the security policymaking process.
4. This is the first of two or three such endeavors sponsored by the Center for Naval Warfare Studies that will be conducted in Newport or Washington over the next several months. The Navy will reimburse for all expenses involved.

5. [redacted] will represent the NIO/W during this time period.
